

Summer Intern Proposal

Hours and Pay:

24 hours per week (Days and hours will vary due to programming.)

\$10.00 per hour

\$240.00 per week

Approximately 12 weeks employment (start and end date flexible)

\$2880.00 total for summer

Other benefits include free camping within Kossuth County system.

Job Description:

1. Intern will work directly with the naturalists and assist with all summer activities – including but not limited to: summer camps, weekend programming in the camp ground, and public programs – either day or evenings. Assisting can include but not limited too: preparation, set up, group leading, teaching, and clean up.
2. Once trained intern will be responsible for the care, cleaning, and feeding of animals in the live animal room.
3. Prepare and set up one display in glass display case.
4. Prepare and present two public programs, one at the Nature Center and one in the campground.
5. Intern will be required to spend considerable time working in the outdoors. Programs could include but not limited too: fishing, hiking, canoeing, and prairie clean up.

Requirements:

Applicants minimum requirements are: high school diploma and be 18 years of age. Preferred candidate will be interested in pursuing a career in Environmental Educations, Natural Resources, Teaching, or similar field.

Applicants must have a valid drivers license and pass an Iowa Division of Criminal Investigation background check and a drug screening test.

Minimum lifting requirement of up to 50 pounds.
