

Water's Edge Nature Center Foundation

Scholarship Award Announcement!

The Water's Edge Nature Center Foundation is pleased to offer three \$500 awards to graduating seniors interested in pursuing a career in environmental education or science, renewable resources, wildlife management, agriculture conservation or natural resources management.

Graduating seniors who are Kossuth County residents are eligible to apply for these scholarships. Included in this offer are students from Algona High School, Bishop Garrigan High School, North Iowa High School, North Union High School and West Bend Mallard High School.

The scholarship will be mailed to the winner's college at the beginning of the student's second college semester.

- ❖ **Your application is a type written essay that must include the following:**
 - Name
 - Address
 - High School
- ❖ **Your essay should address the following statements or questions:**
 - Describe the course of study you will pursue in college. Please include college of choice.
 - How did you become interested in your chosen field of study?
 - What organizations or activities have you been involved with in your community or school that influenced you to pursue this course of study in college?
 - What plans do you have in the future to make a difference in our environment?

Applications must be received at Water's Edge Nature Center by April 19, 2025.

Please deliver or mail your completed application essay to:
